

**Some sailing yarn - Crow's Nest:**

The ship's lookout station was named for the cage which housed the ravens carried by the Norsemen in their mastheads. When these sea warriors lost sight of land, they released one bird and it would head to the nearest shore, they would follow its flight. A crude method of navigation, but, within limits, both efficient and practical.

**Emergency telephone numbers:**

Purser's Office:  
Tel. 600 (08.30h-19.30h)  
Bridge: Tel. 999  
(during the night)  
From ashore:  
+34 910 051 035
